Australia-Oceania :: Pitcairn Islands
(overseas territory of the UK)

blue with the flag of the UK in the upper hoist-side quadrant and the Pitcairn Islander coat of arms centered on the outer half of the flag; the green, yellow, and blue of the shield represents the island rising from the ocean; the green field features a yellow anchor surmounted by a bible (both the anchor and the bible were items found on the HMS Bounty); sitting on the crest is a Pitcairn Island wheelbarrow from which springs a slip of miro (a local plant)
